

INTRODUCING BREYTA™ MIX & MATCH WRIST RESTS & MATS

Personalise your desk space. Your way.

Our new range of wrist supports and mats are designed to work together in multiple combinations to provide superior comfort whilst mousing and typing.

Available in a range of modern colours and sizes to personalise your workspace - wherever and however you work.

Featuring our innovative, patent pending HEX Cushion Technology™ and built-in Microban® anti-microbial protection.

Made from post-consumer recycled content* and packaged in sustainably sourced, 100% recyclable, paper-based packaging.
