ZONE 3

RELIEVE NECK STRAIN

Leaning forward and tilting your head up or down to see your screen or documents can place strain on your neck and back. Monitor stands, laptop stands, monitor arms and document holders can all raise your screens and paperwork to a comfortable viewing position.

ZONE 1

PREVENT BACK TENSION

Sitting for long periods of time without proper support can cause poor circulation and back pain, one of the most common complaints among desk workers. Use foot rests and back supports whilst seated, to help you achieve the correct posture.

Professional Series Mesh Back Support

Mesh fabric allows for air flow. Features adjustable memory foam lumbar support.

MICROBAN

Professional Series Ultimate Back Support

3-Section lumbar support expands and contracts to natural body curvature.

Hana™ LT Foot Rest

Extensive height and movement range.
