

FEEL GOOD

with Leitz Ergo

Anisha Joshi, Award Winning Osteopath

'We know that one of the main causes of pain is lack of movement! So, when I saw the Leitz Ergo range of products which encourages movement, the one thing I tell all my patients to try and do at their desk, I was very excited!'

Leitz Ergo Sit-Stand Desks

Compact and stylish sit-stand desks ideal for where space is limited. 80W x 60D desktop.

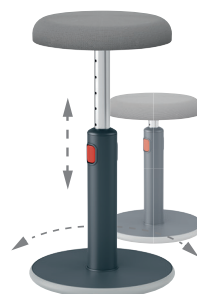

Anisha says...

'Sitting for prolonged periods is a key cause of musculoskeletal disorders. Move More, Sit Less = reduced pain.'

Pneumatic Mobile Sit-Stand Desk 75-114cmH 51414AC

Leitz Ergo Active Sit-Stand Stool

Move between sitting and standing while you work. With rounded base to encourage active. Height adjustable from 46 to 79 cm.

Anisha says...

'My recommendation to help your back as the rounded base encourages active movement by swivelling and rocking.'
