

# Recognising Signs: Breast Cancer Awareness

Recognizing signs of breast cancer is vital for early detection and treatment. In this concise guide, we'll highlight key symptoms to watch for. Stay informed and proactive for better health outcomes.

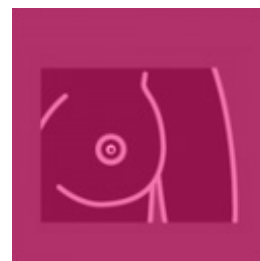

A lump in the breast

Swelling of all or part of the breast

Dimpled or depressed skin

Nipple changes and inversion

Bloody discharge

Skin irritation or texture change

Redness & heat

Visible lump on armpit

## Some footprints are worth growing.

Not every footprint needs to be reduced. By choosing HP Pink Ream, you're contributing to a footprint that raises breast cancer awareness, promotes prevention, and supports efforts to reduce mortality — through meaningful partnerships and impactful initiatives.
