\*OptiMax tested with and without bin rotation technology.

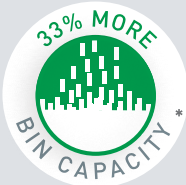

## LEITZ IQ OPTIMAX P5 OFFICE SHREDDER

Ideal for daily use in any office

IQ OptiMax features unique Bin Rotation Technology (BRT), effectively maximizing capacity by 33%\*. The rotating bin ensures flat and even paper distribution, eliminating shredded paper peaks. This allows an additional 140 x A4 sheets to fit in the bin before it requires emptying. Bin Rotation Technology means there's no need to remove or shake the bin; the 'bin full' indicator activates only when it reaches 100% capacity.

OptiMax offers an innovative and stylish shredding solution, whilst ensuring exceptional document security and peace of mind.

- Bin holds 550 x A4 sheets; +33% compared to no BRT
- High security DIN P5 shredder
- Micro-cut particles allows for more sheets in the bin
- Shredder bin illuminates blue when in use
- Transparent bin is easy to remove
- Intuitive control panel includes LED indications
- Anti-jam technology automatically prevents paper jams
- Size 406 x 589 x 320 mm (W x H x D)
