

## Warranty Period

Toner Cartridge:  
Lifetime Warranty

## Quality Assured with our Lifetime Warranty

ValueX never compromises on quality and we are so confident with the performance of our toner cartridge that we offer a lifetime warranty. Buy with confidence as we guarantee our products will be defect-free in both workmanship and materials. At our discretion, we will replace or issue a credit should you find it performs unsatisfactorily.

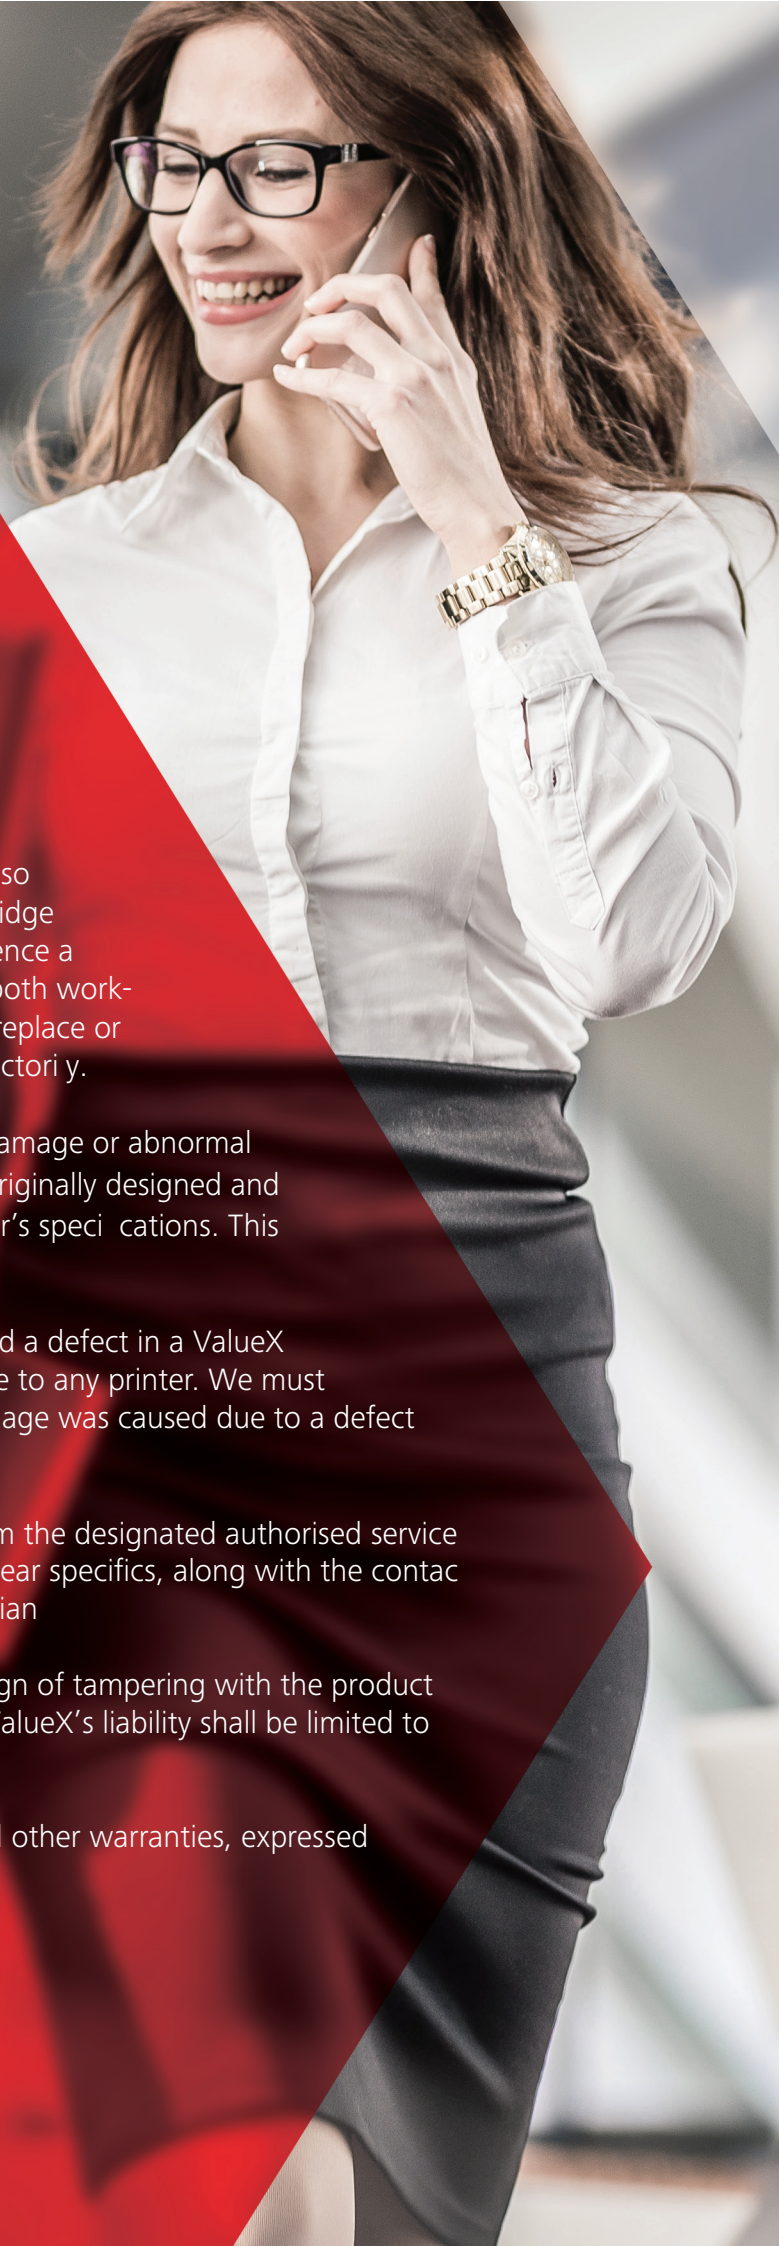

Our cartridges are also guaranteed not to cause damage or abnormal wear in any printer for which the cartridge was originally designed and covers all equipment used within the manufacturer's specifications. This does not include natural disasters or acts of God.

We will reimburse you for a complete repair should a defect in a ValueX cartridge be found to be the sole cause of damage to any printer. We must be provided satisfactory evidence that printer damage was caused due to a defect in a ValueX cartridge.

All claims must be accompanied by an invoice from the designated authorised service company and the invoice must clearly indicate repair specifics, along with the contact information of the dispatched field service technician.

Return of the defective product is required. Any sign of tampering with the product by non-ValueX personnel will void this warranty. ValueX's liability shall be limited to repair, replacement or reimbursement.

This warranty is exclusive and in-lieu of any and all other warranties, expressed or implied.
