Climate Choice

Delivering outstanding print results with a paper contributing to climate projects

The unabated greenhouse gas emissions associated with the sourcing, production, distribution activities and end of life of HP Climate Choice papers are compensated by Sylvamo, through an independent third-party certified climate project administered by ClimatePartner.

Every purchase of HP Climate Choice helps improve access to clean drinking water in Zoba Maekel, Eritrea, in Eastern Africa.

- Outstanding Print Quality
- Sustainably managed forests
- Recyclable paper wrapper
