Driving down TCO & saving energy.

Long-life

Less Waste

Low cost

Designed with the environment in mind

Kyocera deliver highly reliable products that reduce the use of natural resources and drive down CO2.

Products that cost customers and the environment less.

Kyocera's expertise in long-life ceramics lies at the heart of their technology so customers can benefit from a low TCO.

This focus on long-life, sustainable components and long-lasting consumables reduces the frequency of shipping replacement parts or putting a service engineer on the road.

More great green reasons to choose Kyocera:

- + Eco toner saves energy
- + Energy efficient power modes
- + Advanced power management
- + Energy saving design
- + Ecological packaging
- + Easy to recycle
- + Single-use plastic reduction
- + Long-life consumables
