

# CombBind® & WireBind®

## Perfect finishes start with GBC

### GBC CombBind®

CombBind® binding machines are reliable and compact, available in both manual and electric models. Perfect for homes, offices, and schools, they handle frequent, moderate, and light use with ease.

CB25

### GBC WireBind®

WireBind® binding machines are engineered for durability and ease of use, available in both manual and electric models. Perfect for busy offices and education environments, they handle frequent use with ease.

WB15

### Key features:

- Versatile binding: easily bind A5 documents with A5 combs and A4 portrait pages with A4 combs.
- Side margin adjustment for precise alignment and consistent binding results.
- Fixed margin depth for consistent and high-quality binding.
- Non-slip rubber feet for stable and secure placement.
- Convenient clippings tray and a built-in storage compartment for added organisation.
- Lightweight and compact design for easy portability and convenient storage.
